ECLIPSE INCINI-CONE BURNER

SERIES "IC"

Eclipse Incini-Cone burners are designed for fume incineration and/or after-heating of exhaust from turbines, dryers, ovens, and other similar equipment. Incini-Cone burners are mounted in the exhaust duct and require the exhaust stream to supply all of the oxygen needed for complete combustion.

Burner assemblies include the burner body, gas or oil gun, gas pilot with ignition plug, and peepsight. Nine sizes are available with maximum inputs from 1,360,000 Btu/Hr. up to 14,800,000 Btu/Hr. Eclipse can supply valve trains and all other other components required for a complete combustion system.

SPECIFICATIONS

Max. Exhaust Temp.:

Upstream of Burner: 1100° F. Downstream of Burner: 1650° F.

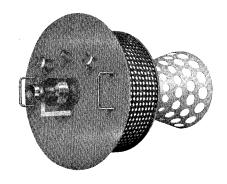

Nominal Hot Exhaust \triangle P Across Burner: 2" W.C.

Min. Exhaust O₂ Content: 13% Capacities & Turndown: See table. Flame Monitoring: U.V. Scanner Only.

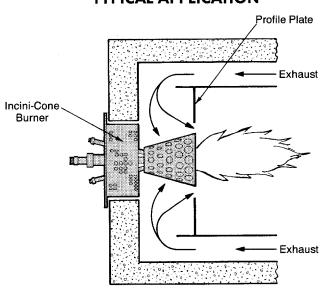

Materials: All metal exposed to flame is high performance stainless steel.

FEATURES

- • Gas or oil firing with interchangeable gas and oil guns
- • Insulated back-plate for cooler working environment
- • Fuel turndowns up to 26:1 depending on the application
- • Fume stream turndowns up to 2.5:1
- Concentric design insures even mixing and combustion
- Compact design allows for easy burner removal and access to incinerator
- • Minimal maintenance

TYPICAL APPLICATION

Profile plate is sized to produce a 2"W.C. hot exhaust \triangle P across the burner.

CAUTION: It is dangerous to use any fuel burning equipment unless it is equipped with suitable flame sensing devices and automatic fuel shut-off valves. Eclipse can supply such equipment or information on other sources.

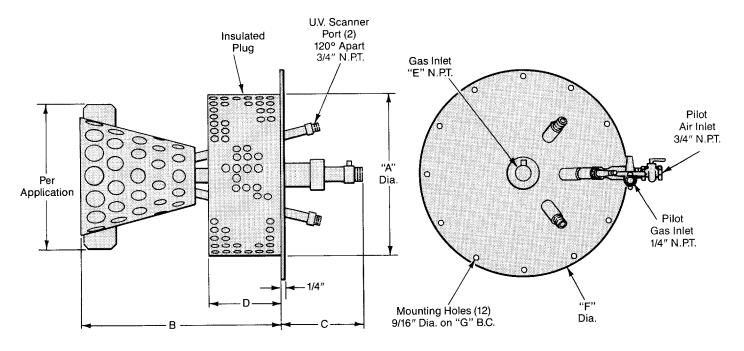

CAPACITIES

Catalog Number	Capacities						
	1000's	Btu/Hr	Kilowatts				
	Minimum	Maximum	Minimum	Maximum			
136 IC 224 IC 360 IC	52 85 136	1360 2240 3600	15 25 40	400 650 1050			
500 IC 680 IC 900 IC	188 260 344	5000 6800 9000	55 75 100	1450 2000 2600			
1480 IC	563	14800	165	4300			

Supply pressures and pilot capacities depend on the application.

DIMENSIONS

Gas gun is shown. Contact Eclipse for information on oil guns.

DIMENSIONS

Catalog Number	Dimensions In Inches							Weight
	Α	В	С	D	E	F	G	Pounds
136 IC	15-1/2	23	6-1/2	10	1	20	18	88
224 IC	19-1/2	25	8-3/4	10	1-1/4	24	22	121
